

WHY BUY PEI GROWN FOOD

THE FOOD

PEI grown food is high quality and **FRESH** and can be to the consumer within hours of harvest.

RURAL COMMUNITY

Purchasing from local farmers and fishers maintains and **BUILDS** upon rural communities.

TRUST

With issues of food recalls of processed and foreign food increasing, there's an assurance that comes from purchasing from your neighbours or driving through the country side and watching the crops **GROW**.

OUR FUTURE

Purchasing PEI grown food helps preserve the strength and character of our **COMMUNITY** for our children and grandchildren

CARBON FOOTPRINT

PEI grown food does not travel far from the field or water to your plate, thus **REDUCING** your carbon footprint.

LAND & SEA

Purchasing from local farmers or fishers helps to ensure that we **MAINTAIN** our rural landscapes and seascapes.
